

Montgomery Focus— Chinese Paper-Cutting

On Oct 27, 2017, the CIT staff held the fifth lecture of 2017 Fall Chinese Culture Event Series in E. L. Lowder Library with the theme of “Chinese Paper-cutting”. Ms. Wei Yu firstly introduced the Chinese paper-cutting from the aspects of the origin, classification, philosophy, application and the influence on the neighboring countries. She presented a large number of paper-cutting works as well. Then she taught them to make Shuang Xi character, three-dimensional “Spring” character, “Fu” character and some paper-cutting for window decoration. Finally, The CIT staff provided scissors and paper to visitors for their firsthand experience. The whole room was in a friendly and joyful atmosphere with applause and laughter.
