A Lecture on *Chinese Traditional Festival II*

On April 28th, 2017, the sixth lecture of Chinese Culture Event Series on Montgomery Campus themed on *Chinese Traditional Festival II* was given in E.L. Lowder Library. Chinese Instructor Wei Yu first briefly introduced five Chinese traditional Festivals---Spring Festival, Lantern Festival, Ching Ming Festival, Dragon Boat Festival and Mid-Autumn Festival to the audience. Then Ms. Yu employed a lot of pictures and video materials to present Chinese traditional customs to the attendees, such as how to make Jiaozi, the dragon boat racing in Dragon Boat Festival. These all aroused great interests among the attendees. Moreover, Ms. Yu detailed every question raised by the audience and warmly invited them to take part in more activities held by CIT in the near future.
