A Lecture on *Chongqing* – *China's City of Opportunity*

On May 17, 2017, the ninth workshop of Chinese Culture Events themed *Chongqing – China's City of Opportunity* was held in Bartlett Hall on Montgomery Campus by CIT. Ms. Kai Zeng first introduced some general information about the city of Chongqing, a city surrounded by Yangtze River and Jialing River, such as its geography, climate, economy, culture, buildings, the development of its educational practice, etc. Then she laid great emphasis on the unique but convenient transportation in Chongqing with a lot of pictures and videos. At last a video entitled *A Bird's Eye View of Chongqing, China* led the audience into a live world of the city. So rich information demonstrated to the audience by Ms Zeng that at the end the attendees expressed their great interests in visiting Chongqing in the future.
