

## Montgomery Focus– Series of 2017 Spring CCC Events

### A Lecture on World Cultural Heritage: Dujiangyan Water Conservancy Project II

On March.15, 2017, Spring Series of Montgomery Focus Chinese Culture Events themed The World Cultural Heritage: Dujiangyan Water Conservancy Project II was held in Bartlett Hall on Montgomery Campus. Ms. Kai Zeng first focused on the historical background of Dujiangyan Water Conservancy Project. Then she illustrated the three temple landscapes of Lidui Park in Dujiangyan, namely, Two Kings Temple, Couple's Bridge and Dragon-Taming Temple, which presented a unique view of the Water Project. Plenty of pictures and videos demonstrated rich information to the audience, such as the project utilization, beautiful sceneries of Dujiangyan city and the casual life style of local residents.

Besides, the famous Dujiangyan Panda Base and Qingcheng Mountain were also introduced which greatly aroused the attendees' interests in visiting the city.
