

Visual Art Class in CI Exhibition Hall

On February 14, 2018, about 100 Troy University students who selected Visual Art came to the Exhibition Hall of Confucius Institute on Troy campus.

At about 9:00 am, the students were divided into four groups and began their cultural tour in the hall under the guidance of Prof. Paige from Fine Arts Department. CI instructor, Ms Lin Cao introduced to the students types of Chinese traditional paintings, charm of Chinese calligraphy, Chinese paper cutting, Chinese traditional costumes, etc. At last, Ms. Lin Cao introduced to the students about Chinese Lion Dance with a video clip. All the students were deeply impressed with the Chinese culture. They asked various questions actively. Prof. Paige believes that this cross-cultural learning is of great help for the students. She has insisted on giving Visual Art class in CI Exhibition Hall for 3 years.
