

Troy Elementary School Culture Day

On March 7th, 2018, students from Troy Elementary School came to Confucius Institute at Troy University (CIT) for a visit. CIT staff, Ms. Lin Cao and Ms. Rui Zhang received the students. The event was jointly organized by Troy Elementary School and International Arts Center in Troy University. As part of the activity, some teachers led the students to CIT Exhibition Hall for a visit. Ms. Lin Cao introduced the Chinese traditional costumes, tea ceremony, calligraphy, traditional Chinese painting, musical instruments and other cultural elements in detail. She also showed the students a Lion Dance video clip. Then she led everyone to draw a panda and cut the three dimensional Chinese character “春” (*chūn*, meaning *spring*). Ms. Rui Zhang offered great help during the visit. The children all learned a couple of simple Chinese words and received the Chinese knot bracelet made by CIT staff. This activity aroused the students’ great interest in learning Chinese culture.
