TROY MathFest 2014
Montgomery Campus
March 29, 2014

TROY MathFest 2014 is a one-day primarily undergraduate mathematics conference. The purpose of the conference is to have a common mathematics forum accessible to all undergraduate students in the Southeast and beyond. Undergraduates, graduates, and faculty members are all encouraged to attend and give 15-minute presentations. Presentations in all areas of mathematics, mathematics education, history of mathematics, and applications of mathematics are welcome. There is no conference fee to attend this conference! Lunch and refreshments will be provided for all in attendance. We have limited travel funds (and limited to the actual cost) to students who do not have support from their host institution. Please complete this form and email to dporter@troy.edu or fax to 334-670-3796.

If you wish to present a paper, please send the title, authors, mentor, and abstract in tex, latex, or word file to dporter@troy.edu with subject "Abstract for Troy MathFest 2014" by March 15.
