Important Information

The Continuing Education Unit (CEU) is a nationally recognized method of quantifying time spent in the classroom during professional development and training activities. The primary purpose of the CEU is to provide a record of the educational accomplishments of an individual who has satisfactorily completed significant non-credit educational and career enhancement experiences. One CEU is equal to ten contact hours of participation in an organized continuing education experience under qualified instruction. For more information about customized sources for your business, call the Continuing Education office.

REGISTRATION DEADLINE

Please register early! Registration should be completed early to guarantee a space in the class. Late registrations may be accepted if the class is not full. Minimum enrollment levels are established for each course. When enrollment levels are not met, the course may be cancelled. Confirmation notices are not sent. You must mark your calendar with dates and times.

ATTENDANCE POLICY

Failure to attend a non-credit course does not constitute withdrawal. The office of Continuing Education must be notified directly of a cancellation at least three business days before the start date of a class in order to receive a full refund. Refunds will not be made once a class begins. Participant substitutions may be made in some cases.

NON-CREDIT COURSE POLICY

Payment is due at the time of registration. Individuals may pay by cash, check or credit card. For company sponsored individuals, an invoice may be used. Invoice information must be determined at the time of registration.

REFUNDS/CANCELLATIONS

Continuing Education is self-supporting and costs are covered through student registration fees. In the event a course is cancelled by Continuing Education, the student will receive a full refund or may apply payment to a future course to be taken within one year. The registrant will be notified of any changes in dates or times. It is important that you provide a valid telephone number. View the full refund policy on the Continuing Education website at www.troy.edu. Rates for courses are subject to change without notice. Check with the Continuing Education office for current fees. Troy University reserves the right to cancel any class, make instructor, and/or course substitutions without prior notice.

MISPRINTS

The office of Continuing Education shall not be held responsible for misprints (typos) with regard to course fees, dates, etc. Schedules and instructors are subject to change.

INCLEMENT WEATHER POLICY

In the event of inclement weather, tune into your local radio or television stations for information about campus closings.

SHRM® CERTIFICATION SHRM-CP® AND SHRM-SCP®

This intensive online 12-week Continuing Education program offered by Troy University is designed primarily for individuals seeking the most sought-after HR certification as a Professional in Human Resources (SHRM-CP™) or Senior Professional in Human Resources (SHRM-SCP™).

Benefits To You

You'll benefit from an experienced, SHRM-certified instructor; The SHRM Learning System, historically ranked the #1 HR certification prep tool; ability to acquire the knowledge and understand the behavioral competencies to help you prepare for the exam; a structured learning experience that keeps you on track; opportunities to network and learn from your peers; earning up to 36 professional development credits (PDCs) if you are attending this program for professional development only.

Benefits To Your Employer

Certification benefits your entire organization. It demonstrates that your HR professionals have mastered the application of HR technical and behavioral competencies. Certification prepares your HR staff to assume greater leadership roles and contribute to the strategic direction of your organization. Exam preparation helps HR professionals bring new ideas to your organization that will help drive success. It helps create a common HR language that optimizes consistency and effectiveness. Certification is relevant worldwide, as exams cover the new global SHRM BoCK™.

This course is offered in partnership with the Society for Human Resource Management (SHRM). The course investment includes all course materials but does not cover registration for the PHR or SPHR examinations.

Course begins Monday, August 14-November 6, 2017. Deadline to Register: August 1, 2017

GIS Certificate

GIS is a computer hardware and software system that is used to store, display, analyze, and map information. Geographers, planners, land developers, real estate agents, utility companies, and municipal officials all use these systems. In fact, modern planning cannot move forward without these systems and those trained to run them. Using the GIS, such topics as population distribution, traffic movement, land availability, real estate prices, environmental hazards, soil types, utility inventory, sustainability mapping, site suitability, flood zones, and many more, could be analyzed together to help the decision makers make an informed choice. The GIS online certificate is formatted into four sessions:

- Session 1: Intro to GIS
August 21 - September 17
- Session 2: Intro to Remote Sensing
September 18 - October 15
- Session 3: Intro to Coordinate Systems
October 16 - November 12
- Session 4: Application of GIS
November 13 - December 10
