Request for a Partial Year Award/Loan Reinstatement
2014-2015
Call 1-800-414-5756 for questions

All students are awarded for Fall14/T1 through Spring15/T4 and should use their award letter to tell us when they will be attending. Use this form after you have been awarded if you begin enrollment after 14Fall or 14/T1 to let us know what semesters or terms to disburse your aid. Use this form to reinstate aid cancelled for non-enrollment, to inform us of a grade level change, or to let us know that you are changing from undergraduate to graduate. If you do not know whether you are Semester or Term, check with your site based on where you will be attending classes. There is rarely a good solution if you mix Terms and Semesters (see FAQ on the FA web site). Not all requests can be accommodated: A term/semester that has already commenced cannot be changed or added to. Check our web site or call the number above for more information.
