

**TROY CAMPUS  
GRADUATION RATES  
STUDENT BODY AND STUDENT ATHLETES  
FRESHMEN ENTERING FALL 1996 THROUGH FALL 2000**

The Federal Student-Right-To-Know law requires that institutions assess and report student retention and completion rates to the public. Monitoring retention and completion rates over time can help assess the effectiveness of both academic and student life programs as well as innovative programs such as the first year experience program aimed at increasing freshmen retention. The graduation rate as established by the United States Department of Education to meet current Student-Right-To-Know requirements calls for the Cohort group to be those first-time, full-time freshmen students who enrolled at the University during Summer or Fall six years prior to the reporting year and graduated before Fall of the reporting year.
