

# Honor Roll of Giving

## *From the Associate Vice Chancellor of Development*

What a great time to be a Trojan! We were all recently thrilled to learn that Forbes Magazine named our University the top university in Alabama. What an endorsement! Forbes also placed TROY 16th nationally as a “best buy” in higher education. U.S. News and World Report’s annual “Best Colleges” named Troy University one of the 65 best universities in the South.

We also were just named among the top colleges in the southeastern United States by the Princeton Review for the sixth year in a row. This clearly demonstrates our strong student focus!

GetEducated.com gave its “best buy” designation to three TROY eCampus degree programs: TROY’s Master of Science in Human Resources Management ranked third nationally, our Master of Public Administration program ranked fifth nationally, and TROY’s online Master of

Business Administration ranked in the top 15 percent of some 250 similar programs reviewed by the organization.

Our University was also ranked in the top 15 percent of colleges and universities that are doing the most to embrace veterans as students by G.I. Jobs, a national publication targeting military members and their spouses.

The Laboratory for the Study of Intercollegiate Athletics ranked TROY 10th among all NCAA Football Bowl Subdivision athletic departments in its 2010 Excellence in Management Cup. The NCAA released its annual Academic Progress Report (APR) and TROY had all 16 of its teams recognized for achieving the 925 benchmark. The significance of this is that our Trojans were one of only two NCAA Division I-A institutions in the state to have all of their athletic programs surpass 925.

Other recognitions continue to come our way as well, acknowledging the great value that we offer and the wonderful job we’re doing in educating our students. TROY is a great university and a great place to be!

Across the University, we are working on new building, program, and scholarship initiatives! In TROY, we broke ground for the renovation of Bibb Graves, which will include an expansion that will house the Center for International Business and Economic

Development, the Confucius Institute, and The Manuel H. Johnson Center for Political Economy (we recently announced a \$3.6 million gift to fund this initiative!); a new dining hall, which will have the capacity to serve 1000 at a time and will have exciting retail options; and a new multi-purpose arena, which all Trojans are excited about! Our Dothan Campus has plans for a new building that will house the College of Business and Nursing, along with other programs. In Montgomery, a new classroom building is being considered and, in Phenix City, fundraising efforts are under way to make the vision of building a facility on the Chattahoochee River in the downtown area to house business and technology programs, Risk Management and Insurance, Nursing and other initiatives a reality. And all TROY campuses and sites are working hard to raise additional dollars for scholarships!

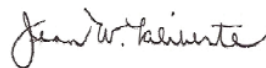

The Office of Development is busy making sure the funding is in place to continue all the wonderful things that have been happening here at TROY. To successfully complete the projects we believe critical to the future of our institution, we are increasingly turning to the private sector to generate the funds needed to advance Troy University.

We look forward to another successful year with our Annual Fund initiatives. We ask that you be generous when you are called upon. And we’re sure you will be – we know our Alumni recognize that the value of their degree is enhanced with each gift, since each gift helps support programs here at TROY.

We want to thank each of you who give so willingly to Troy University – either through a current gift of money or property, or through a planned gift. In this edition of the TROY Magazine, we are pleased to recognize all of you who gave during our last campaign year. Students today and for generations to come are benefiting from your generosity.

We also want to invite you to come back to TROY whenever you can. Come and see your dollars at work! We are so proud of our campuses, our faculty and staff, our students, and our alumni. We look forward to seeing you all sometime this fall – at a concert, a play, a lecture, or an athletic event. Be sure to attend Homecoming on November 13th – and share the excitement and spirit of the Trojans with all your friends. We look forward to seeing you!

Sincerely,

Dr. Jean W. Laliberte  
Associate Vice Chancellor for Development

## *Foundation recognizes Honor Roll of Donors*

Troy University is proud to recognize and honor those individuals, companies, corporations and foundations that have supported the University through donations during the calendar year 2009.

The 16-page supplement that follows lists of contributors who have

provided their financial support in the following categories from **Jan. 1, 2009 through Dec. 31, 2009.**

The Honor Roll is divided into six lists – the Associates or donors who gave for academic purposes, the Trojan Club or donors who contributed to athletics, Matching Gift Company contrib-

utors, Planned Gift donors, Business Partners and Gifts In Kind.

Only gifts received have been listed. Pledge payments are recognized in the year received. The Troy University Foundation provides stewardship for private gifts and grants for all campuses and units of Troy University.
