

Troy University, Phenix City
Riverfront Campus, Suite 318
<http://troy.edu/phenixcity/css/index.html>

Hours of Operation:
Monday – Thursday: 9am - 7pm EST
Friday: 9am - 1pm EST

The mission of the Phenix City Center for Student Success (PC-CSS) is to provide resources and services that enhance Troy University students' academic achievement, personal and social growth, career development, and persistence to graduation.

What we provide: The PC-CSS assists students with tutoring, counseling, academic resources, testing/computer services, and career services to provide a central environment of support to help our students navigate their journey toward academic and personal achievement. This journey will begin with testing and assessment, and will continue through remediation, and follow-up services and programs. Periodic workshops will be conducted to lead students to success.

Tutoring: The PC-CSS offers tutoring in basic skills development in English and Math. Tutors will assist students with requirements for courses from freshman through graduate level. Free online on-demand tutoring and writing services are available for students via NetTutor, through your Canvas online course module. Additionally, there is a weekly Math group tutoring session held every Thursday during each Term from 5:00 – 6:30pm EST in Classroom #10 at the Columbus Manchester Expressway campus. As face-to-face tutoring is limited, we ask students to try NetTutor or the Math group tutoring session prior to requesting individual tutoring.

Testing/Computer Services: The PC-CSS computer lab is available for students who need to take the ACCUPLACER placement exam, proctored exams, MFT/MAPP/MAT/CPCE exams, Graduate Comprehensive Exam, or other required testing. The lab is also available to offer students the technological equipment needed to complete academic assignments, access the Internet, print, or to conduct job searches. Scheduling for the exam you wish to take can be done at <http://troy.edu/phenixcity/css/testing.html>. ACCUPLACER study resources are also found at this link.

Career Services: By creating career goals and developing a career plan, students have a better chance of attaining a rewarding career. The PC-CSS assists with assessing skills and interests, researching occupations, resume development, job search skills, hosting career fairs, and helping connect employers with our students and alumni. Additional resources may be found by accessing “Handshake” or “FOCUS”. To access Handshake, please visit <https://troy.joinhandshake.com/login>. All Troy students have a registered Handshake account. Login using your Trojan Web Express credentials. To access FOCUS, please visit <https://www.focuscareer2.com/Portal/Login.cfm?SID=453>. Click “REGISTER” to create an account; access code: Trojan.

Staff Members: Visit <http://troy.edu/phenixcity/css/staff.html> to request an appointment, or contact:
