

Teacher Cover Letter

Dear Teacher:

There are many STARTALK programs across the United States. The National Foreign Language Center (NFLC) supports these programs. One of the NFLC's jobs is to collect information about participants. To collect this information, NFLC surveys all participants. The survey asks about attitudes and perceptions of the programs and language learning and teaching. NFLC will use the answers to these questions to make future STARTALK programs and language programs across the country better.

We will do our best to keep your personal information confidential. All information collected by the surveys will be stored in a password-protected database. We will not include participant names in any published reports, media, or public discussions of STARTALK. Your name will be given a code for survey data. This code, instead of a name, will link your survey and identity. Only the researcher and you will be able to see this information. We will ask for your permission if we want to cite you by name for any reason.

You may be photographed or video or audio recorded for recruitment and teacher training purposes.

Sincerely,

A handwritten signature in blue ink, appearing to read "C. Ingold".
