KAPPA DELTA PI CHAPTER
ESTABLISHED AT TSUD

The School of Education at Troy State University at Dothan has established a chapter of Kappa Delta Pi, an international honor society in education. The chapter installation and initiation of charter members for the Sigma Eta Chapter was held on Friday, November 2, in Malone Hall.

After a welcome from Dr. Harrison, Dr. John Petry, national president for Kappa Delta Pi and associate professor at Memphis State University, reaffirmed present Kappa Delta Pi members, initiated the charter members, and presented the charter to Dr. Betty Kennedy. Dr. Elizabeth Fell and Dr. Steve Nowlin, TSUD faculty counselors for Kappa Delta Pi, installed the charter officers and made presentations to all charter members.

Dr. Kennedy commented, "This is a great event for TSUD and the School of Education. It demonstrates that TSUD is dedicated to striving for quality and excellence in the School of Education."

Kappa Delta Pi members from the TSUD faculty include: Dr. Wayne Bradshaw, Dr. Elizabeth Fell, Dr. Patricia Fritch, Dr. Betty Kennedy, Dr. Debra Ann King, Ms. Diane Murphy, Dr. Steve Nowlin, and Dr. Mary Jo Pollman.

Charter members for the Sigma Eta Chapter include thirty-six students from Alabama, Florida, and Georgia.

TSUD SPONSORS
INTERNATIONAL STUDIES RECEPTION

On Friday, November 16, the faculty and students in TSUD's International Studies program held a reception at the Fort Rucker Officer's Club. In addition to the faculty, Dr. John Woodham, Dr. Larry Brown, Dr. Frank Lovrich, Dr. Priscilla McArthur, and Dr. Richard Martin, and the IS students (past and current), TSUD was represented by Dr. Jack Sublette, Dr. Ken Deavers, and Ms. Gaye Peacock. Fortunately, Major General Rudolph Ostovich, Commanding General of Fort Rucker and Chief of the Army Aviation Branch, was able to get away from the responsibilities imposed by the "Desert Shield" operation in Saudi Arabia, overseeing all Army Aviation programs (world-wide), and the general operation of Fort Rucker, in order to attend the reception.

Dr. Woodham acted as Master of Ceremonies. Dr. Sublette reasserted TSUD's commitment to the International Studies program in particular and higher education in general. Major General Ostovich spoke briefly on the importance of the master's degree in International Studies and on the importance of support for advanced education by the highest levels of administration and command in and throughout the Army.

The reception was the result of the plans and efforts of several graduate students in the International Studies program: John Anton, Sheilah Day, Curtis Roberts, and Lou Schuett. The attending faculty and spouses, students (past and current) with spouses, and Fort Rucker
staff numbered approximately seventy persons. Everyone seemed to enjoy the reception. There were several suggestions that there be another reception for the International Studies program next year, possibly making it an annual affair.

TSUD TO IMPLEMENT TELECOURSES
WINTER QUARTER 1991

TSUD students will be able to enroll in telecourses for the first time Winter Quarter, 1991. The three courses aired on APT (Alabama Public Television) include Health Concepts (EDU 306T), U.S. History Since 1877 (HIS 202T), and Principles of Management (MGT 371T).

Telecourses combine televised lessons, related texts, readings, and assignments with on-campus orientation, study sessions, and examinations. Copies of the video lessons are available at the TSUD library and the Fort Rucker branch office. Students may elect to view course tapes at these locations during standard hours of operation.

All students registering for telecourses must attend a mandatory orientation meeting, Friday, January 4, 1991, at 10:00 a.m. or 6:00 p.m. in the multipurpose room of Malone Hall. Students will receive course syllabi and meet individual course instructors at this time.

WALKING TRAIL PROVIDES
RELAXATION AND PEACEFULNESS

When the phone continues to ring or the memos rub you the wrong way, owe it to yourself to "Take a Hike."

TSUD, through the work of Scott Craig and Harry Wills (Buildings and Grounds), has made available a 0.7 mile walking trail behind Malone Hall. The trail begins at the wooden sign beside the W-2 parking area and winds itself through the peaceful wooded area to the east side of Malone Hall. There is ample clearing for safe walking. Wood chips, provided by the City of Dothan, cover the path.

Plans for the future include an extension to the existing trail, making the trail 1.5 miles in length.

These actions should be completed by the middle of Winter Quarter 1991 with a report to the Student Affairs Committee and with SGA elections postponed until Spring Quarter 1991.

COUNSELING SERVICES  

The month of November is National Career Development Month. TSUD participated by hosting a career information table near the TSUD deli. Toni Morott, Graduate Assistant, manned the table and answered questions regarding salaries and job demand. The Office of Counseling Services gave career interest tests to any undecided majors and other students considering a change of major.

Plans are underway to host the annual Career Fair. The fair will be held on January 29, 1991, at TSUD. This year the fair will be open to both TSUD and Wallace College students.

STUDENT SUPPORT SERVICES  

The Student Support Services Program is still looking for qualified applicants. To become a project participant, a student must meet at least one of the following criteria: (1) first generation college student, (2) low-income, or (3) handicapped.

During fall quarter, our students took advantage of personal tutoring as well as personal and career counseling services.

In addition, they had the opportunity to attend the South Alabama Symphony's performance of "Sounds of the Season" at the Dothan Civic Center. This gala event was a perfect way to celebrate the end of the quarter and to usher in the holiday season.

Another event enjoyed by program participants was a festive reception held in their honor.

The Student Support Services staff provides a caring, concerned atmosphere for their students. The goal of the program is to keep students at TSUD until graduation. We believe that a supportive network goes a long way in reaching that goal.

UNIVERSITY DELI

Dear Friends,

I want to thank each of you very much for your patronage. As you know, we run a daily special, but in conjunction with this we would like to extend a savings to the faculty and staff of TSUD. The only condition is to inform the cashier that you are faculty or staff before ordering so she will be able to charge accordingly. In January we will offer any drink FREE with Sub or Basket order.

You have probably noticed that the deli has new items on the menu. Please support these items since after a trial period if the item is not profitable it will be removed. Our new Reuben has been a big hit — with freshly sliced corn beef, unprocessed fresh kraut, and sliced Swiss cheese. We are pleased to say it will remain on the menu.

Our desire is to serve and please the customers. Please inform me of any unfavorable conditions, and I promise they will be addressed immediately.

The deli hopes to be introducing some new pita bread items in January.

It is a pleasure serving you.

Olivia Calvin
Deli Manager

FROM THE TSUD FAMILY
