Honor to Scarborough

Lafayette St. Church Plans Laymen's Night

Lafayette St. Methodist Church will observe Laymen's Night this evening and the guest of honor will be the M. T. Scarborough Class - one of the oldest Bible classes in the area.

In a way the event might be considered a milestone in the life of one of the pillars of the church. For it was approximate-

H. T. SCARBOROUGH

ly 40 years ago when H. T. Scarborough, the teacher who is still going strong, started his favorite activity of teaching S
unday School at the church.

"It's what you might call a hobby and a life's study for me," Mr. Scarborough said. "I don't belong to any clubs or organizations and teaching always has been my specialty, I guess."

Mr. Scarborough was a country school teacher in Houston and Geneva counties for a number of years before entering the hardware business at Ashford in about 1915.

He came to Dothan in 1919 to join the E. R. Porter Hardware Co. and it was about that time that he joined the Lafayette St. church and became a teacher.

His class, containing from 50 to 60 members, are men from 30 to 60 years old. Their recent projects have included providing medicine for a man who was dying of cancer and the purchase of a new carpet for the sanctuary.

"We're just doing what we can," the teacher commented.

Mr. and Mrs. Scarborough (the former Miss Lennie Smith) live at 612 Collins St. They have two sons, Cullen G. and Seth Scarborough and five grandchildren who Mr. Scarborough described as being "the biggest assets in our lives."
Scarrowborough Begins
50th Year Teaching

Fifty years have a lot of Sundays in them for a church teacher, but that is 50 years for Scarrowborough's record. Today he begins his golden anniversary year in the post at Lafayette Street United Methodist Church. His class has grown with the attendance. The church has never been larger than it is today. Mr. Scarrowborough believes in having fun and making jokes at their own expense, and he is a source of delight to his pupils. He is also a man of great sympathy and understanding. He has been a source of comfort and counsel to many of his pupils.

Ground broken at last for high rise for elderly

By JULIE SWEENEY

More than two years after a press release stated construction would begin shortly on a high rise for the elderly, ground has been broken at the site for the complex to be constructed on South St. Andrews Street between Lafayette and Washington Streets. The project, completion date for which is scheduled for the eighth story, 155-unit housing complex for the elderly which includes twin towers and a recreational facility is set for next October. The complex to be built at a total cost in excess of $2.9 million will be named for the late J.L. Vaughn and the community building to be built in conjunction with the complex will be named for H.T. Scarborough.

Scarborough Housing Authority Executive Director Paul E. Carpenter said he has reported the project. The groundbreaking was scheduled for Friday, but due to the weather it was postponed until Monday. The ceremony was held at the community building where Mayor of Dothan Jimmy Grant and Dothan Housing Authority Director of City of Dothan Housing Authority City of Dothan officials were present to break ground for the high rise for the elderly. Taking part in the ceremony were, from left: Jim Lambert, chairmen of DHA; Paul Carpenter, executive director of DHA; Marvin Lewis, vice chairman of DHA; and Mayor of the City of Dothan Jimmy Grant.

Alabama changes Rules of the Road-

Among the most serious traffic offenses are traffic accidents while under the influence of alcohol or drugs. The Alabama legislature recently passed a law making it a crime to drive while under the influence of alcohol or drugs. The new law, effective July 1, 1980, makes it a felony for anyone who drives a motor vehicle while under the influence of alcohol or drugs to result in the suspension of the driver's license for six months.

H.T. Scarborough

ONE OF Dothan's most prominent citizens was laid to rest Sunday. In the legacy of Mr. Harvey Thomas Scarborough are numbers the ordinary man during his sojourn in this life seldom matches.

Mr. Scarborough was 98 when he died and had lived in Dothan for 96 of those years. A fixture at Porter Hardware Co., he worked there 56 years. He began teaching Sunday School classes at his beloved Lafayette Street Methodist Church — they have since added "United" — in 1920 and was still teaching 65 years later, stopping only because of poor health.

In 1952, that class was named the H.T. Scarborough Bible Class and is still active.

Mr. Scarborough was a historian of no small repute. Blessed with an alert mind all his life, he was the authority many turned to when compiling Dothan's early history. He also was an authority on the comings and goings at Lafayette Street Methodist.

A city pioneer, a landmark, a valuable asset, a grand old man. Dothan lost all those with the passing of H.T. Scarborough.
